CERAMIC TILE PROJECT

This project was started in 2012 to celebrate the Queen Elizabeth II Diamond Jubilee. Local school children and visitors designed tiles to go up on the sea wall and sign their names to the artwork. Two colourful panels each containing 90 tiles were completed.

In 2015 we followed with the theme Seaside Memories. Sea Creatures followed in 2018 and visitors and residents and Smithdon Secondary School took part. Three more beautiful panels were completed and these were installed in 2019 with the help of Hunstanton's Men Shed Community Group.

To celebrate the Queens Platinum Jubilee, local artist Kate Dunbar was asked to complete the project. *It was her idea from the start.* Two more panels were needed, and this time the theme was "Earthshot SOS" or Save Our Species dealing with endangered Norfolk plants and animals. This time it was schools, the public and HTC's Friends Group who provided the artists.

To complete this project we will be holding further workshops again this year.

Please take time to visit and admire the wall. You will find it to the left of the road leading down to the North promenade near the Sailing Club.

HELP NEEDED!

*Are you Interested in the Arts
or have an expertise in the area?*

If so the HDFA would love to hear from you.

The HDFA is a registered charity tasked to bring high quality Creative Arts of all kinds to children, residents and visitors to Hunstanton and its surrounding area at affordable prices.

We are supported by grant by Kings Lynn Borough Council and supported by Hunstanton Town Council, but we are an independent organisation run by volunteers and have been working in the Town for many years. You may have seen our Brilliant Live Music Festivals down on the Green or visited the Ceramic Tile Art Installation on the sea front?

We now need new input of ideas and events, so if you have lots of ideas and can spare the time to attend one evening Committee Meeting a month, we would love to hear from you. We also have a Friends Group which you can join to help run our many events. Please contact the website below for further details.

Join the Journey

Help us guide new talent to find an outlet. Whether it be music, art, photography or other hidden talents.

Last year, we were able to invite an act to perform on stage, who had previously taken their first steps at our Buskers Corner.

Do you want to help another talented person do the same?
